SANTA FE - 2015

International Contemporary Art Fair | July 9-12

PRESS RELEASE

ART Santa Fe celebrates fifteen successful years this summer, July 9-12, at the Santa Fe Convention Center. Galleries from around the world will once again offer an outstanding overview of modern and contemporary art.

Designated as one of UNESCO's *Creative Cities*, Santa Fe is a globally familiar art destination. The city claims the second largest art market in the United States and draws visitors from across the country and internationally. The Wall Street Journal's *Smart Money* magazine recently noted "Santa Fe is dotted with 240 art galleries and is the home of ART Santa Fe, an international art fair that attracts buyers and tourists from around the world. The Santa Fe art scene is one of the best you will find anywhere."

With years of experience ART Santa Fe remains unique in the art world, offering art buyers an opportunity that goes beyond the fair's doors. A world-class destination city, Santa Fe will offer art events for visitors from around the world.

So join us this summer for Art Santa Fe 2015 and help us celebrate fifteen years of introducing galleries from around the world to the contemporary market.
