Better and better

Kudos to Charlotte Jackson ("A fair shake-up," *Pasatiempo*, July 10-16) and all those who produced the 15th annual Art Santa Fe show. This show gets better and better, with local, state, national and international contemporary artists represented. What makes it especially helpful is that it's so affordable. The highlight was the keynote speaker, Don Bacigalupi, founding president of the Crystal Bridges Museum of American Art in Arkansas and now president of the Lucas Museum of Narrative Art in Chicago, who is forging ahead with yet another groundbreaking, art museum.
